

17th May, 2021

Dear Resident, Family and Friends,

COVID-19 UPDATE

We welcome the reduction in COVID-19 restrictions.

From today (17th May 2021) it is no longer compulsory for staff, trades and visitors to wear a mask whilst on site at JMV North Sydney or Woolwich. However, we do strongly encourage visitors to site to still wear a mask.

Updated HOTSPOTS lists are still located at JMV Receptions. If you have been to any of these locations during the last week, you are not permitted to enter the village and should return home to isolate.

Second dose of the Pfizer vaccine for Woolwich residents is scheduled for Friday 28th May 2021. Those JMV North Sydney residents who were not given their second vaccination on Friday 7th May 2021 will be informed shortly as to the makeup date.

At this stage there is no date for the vaccine rollout for Independent Living residents. As previously noted, we suggest anyone wanting the COVID-19 vaccination to contact either their GP or local vaccination hub.

Until next time; take care.

Lyn
